

Aston Fence J & I School Where Everybody is Somebody

Aston Fence will continue to be the first choice school for families in the catchment area and the wider community. We aim to achieve this by supporting, and if required, challenging the teaching staff and senior leadership team.

We recognise the vital importance of mental health and well-being within our school community. With this in mind, we will continue to embed and further develop the growth of mental health and well-being for our pupils, staff and families through policy and provision. Our desire is to continue to support and enhance the role we believe this plays in enabling us to achieve successful educational outcomes.

As a governing body, we are committed to ensuring that British Values are firmly embedded within our school. We will continue to promote equality, freedom, democracy, tolerance, personal responsibility and the rule of law through effective teaching and leadership.

We will maintain our creative approach to the curriculum and deliver an outstanding education for all our pupils so that everybody is somebody within our school.
