

Aston Fence J & I School

Covid Outbreak Contingency Plan – January 2022

When should my child self-isolate or miss school?	 <ul style="list-style-type: none"> • All children MUST attend school unless they are ill. • From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact has Covid. • Instead, they will need to book a PRC test but can continue coming to school and take LFDs for 7 days so long as they have no symptoms and the test result is negative.
	 <ul style="list-style-type: none"> • If your child develops Covid symptoms at home, they should <u>stay at home</u> and should take a LFD test. _____ • If your child develops Covid symptoms at school, they will be sent home and they should take a LFD test. • If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should follow current guidance around testing and isolation. • The school will inform parents of any changes to Covid measures should these be needed.

Community Covid Risk	Description	Actions
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> • There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/ or stable. • Hospitalisation/ Deaths due to Covid nationally are low. 	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> • Reminding children of good hand-hygiene. • Ensuring good ventilation encouraged where practical. • Ensuring children/staff to stay at home if they have Covid symptoms and follow guidance. • Staff will continue to test themselves using lateral flow tests twice weekly.
 <p>Rapidly Rising Community Transmission</p>	<ul style="list-style-type: none"> • No current Covid cases have been recorded at school, but... • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • Rotherham Public Health / Public Health England issue warnings of expected local/ national infection wave. 	<ul style="list-style-type: none"> • Ventilation of classrooms increased & hand-washing supervised. • Large indoor public performance audience numbers reduced. • Staffroom capacity is reduced. • Whole-school assemblies are replaced with class assemblies in individual rooms. • Clinically vulnerable staff meet with SLT to review their individual risk assessment & discuss additional protection (e.g. use of face coverings, reduction in movement between <ul style="list-style-type: none"> • Limiting all non-essential visitors to school.

Number of Cases:	Description:	Actions:
 <p>A single child tests positive</p>	<ul style="list-style-type: none"> • A single child tests positive for Covid in a class. • There are fewer than 5 cases in the year group. • No other year groups are affected. 	<ul style="list-style-type: none"> • The child self-isolates for 5/7/10 days. Remote learning will be provided if they are well enough to complete it. See Remote Learning policy. • The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. • Likely contacts will be contacted by NHS Track & Trace and advised on further action. The school may contact parents to advise this if close contacts are known. • Children do not need to miss school or self-isolate whilst they wait for the result of a PCR test unless they have Covid symptoms but should do daily lateral flows.
 <p>5 children or staff within a year group test positive within 10 days of each other.</p> <p>OR</p> <p>a single class/club within 10 days.</p>	<ul style="list-style-type: none"> • There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within that group of children. 	<ul style="list-style-type: none"> • As above for each positive case. • The school will discuss the outbreak with Rotherham Public Health and agree strengthening protective measures <u>for 10 days</u>, including: <ul style="list-style-type: none"> ○ Adapting, limiting or postponing indoor sporting events, visits and performances. ○ Reducing the amount of classes staff work across.
 <p>Covid cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> • Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school. 	<ul style="list-style-type: none"> • Incident Management Team meeting held between the school and Rotherham Public Health to agree further measures <u>for a further 10 days</u>, including: <ul style="list-style-type: none"> ○ Re-introducing class bubbles. ○ Reverting to bubble lunches. ○ Postponing all non-essential events. ○ Re-introducing remote learning for individual classes for 10 days considered, as outlined in our Remote Learning Policy.
